

ADP AND INNOVATIVE BENEFITS PLANNING
INVITES YOU

AI AND THE FUTURE OF WORK

Embracing Technology and Human Collaboration

EVENT LOCATION

Saddle Hill Winery, 1407 White Horse Rd
Voorhees Township, NJ 08043

Join ADP & Innovative Benefit Planning for an engaging discussion on how AI is transforming the workplace—from improving efficiency and decision-making to elevating the employee experience.

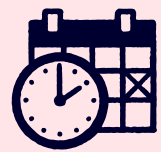

The world of work is changing faster than ever. Artificial intelligence is reshaping how organizations operate, but the real opportunity lies in how people and technology can work together.

Attendees will gain insights into:

- Practical applications of AI in today's workplace
- How to balance technology with human expertise
- Strategies to prepare your workforce for the future of work

Whether you're an HR leader, business owner, or people manager, this session will equip you with actionable ideas to harness AI while keeping people at the center of your strategy.
