Assistance During COVID-19

In the face of the COVID-19 outbreak, you may be without access to your usual on-site resources or experiencing a shortage of resources through your physicians and telemedicine providers.

However, you're not alone!

Innovative is proud to provide you with additional resources during this time.

Dedicated Benefit Guardian

As your single point of contact for anything benefits-related, your dedicated Benefit Guardian will assist you with questions surrounding claims/ billing issues, navigating the healthcare system, finding a primary care provider, as well as finding specialists and hospitals in your network.
